PROCLAMATION

Interstate commerce and passenger transportation by air have proven very successful in its first ten years. American citizens can feel justly proud of the part America has played in the development of world aviation. Men of vision, courage, resourcefulness, and action have given better equipment, more convenient schedules, a choice of dependable airlines crossing our country bringing about economies which today afford many the opportunity to take advantage of these improvements.

NOW, THEREFORE, I, Leslie Jensen, Governor of the State of South Dakota, designate the week October 1-9, 1938, as

NATIONAL AIR TRAVEL WEEK

and ask that this week be observed as a tribute to the achievements which all phases of the aviation industry have so nobly accomplished, and as the beginning of another era which will bring greater advancements and prestige to our State and our Nation.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of South Dakota to be hereto affixed.

DONE AT THE CAPITOL, in the City of Pierre, this 19th day of September, 1938.

Leslie Jensen
Governor
